Willmott Park Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Student Voice

The school actively promotes student participation to improve student inclusiveness and outcomes. Student participation ranges from students sharing opinions of problems and potential solutions, to students providing feedback associated with school strategic planning. It also includes our students sharing their 'voice' in class by collaborating with teachers to engage with the curriculum and improve education outcomes.

Other ways students are encouraged to share their voice:

- school leadership positions such as school and house captains
- SWPB and Digital Ambassadors
- Organising and assisting with fundraising events
- Class discussions

- Student feedback
- Student surveys
- Personal goal setting
- Self-evaluation
- School Council presentations
- Meeting with members of Executive
- Wellbeing curriculum-Child Safe Standards Activities
- Art of Conversation activities

Bullying

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Willmott Park Primary School. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying Prevention* policies to respond to students who demonstrate these behaviours at our school.

Willmott Park Primary School will take appropriate measures, consistent with its *Student Wellbeing and Engagement* policies and *Bullying Prevention* policy to respond to discriminatory behaviour or harassment at our school. Students that are involved in bullying or harassing others on the basis of their personal attributes will be supported to understand the impact of their behaviour.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed. We encourage our students to be upstanders and promote telling an adult straight away whether it be about themselves or to speak up for another student.

Reasonable adjustments for students with disabilities

Willmott Park Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities and communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement* policy or contact a member of the Wellbeing Team for further information.
