

2024 Foundation Transition

OUR VISION

The vision of Willmott Park Primary School is to create an inclusive, supportive, and safe environment in which every child can learn, explore, and thrive. Students reach their full potential when they are happy, healthy, and safe, and all members of our community are welcome participants in our school. We acknowledge that student wellbeing is intrinsically linked to student learning outcomes and that our approach must emerge from that understanding.

TRANSITION PROGRAM

At Willmott Park Primary School, we begin our Transition Program well before your child's first day at school. We support children and their families in the year leading up to school by hosting school tours and information sessions, as well as, running an Orientation/Transition Program during Term 4. Our Transition Program will continue throughout your child's first year until children and families feel a part of our Willmott Park community.
